

FLORIDA STATE UNIVERSITY

College of Communication & Information

SCHOOL OF COMMUNICATION SCIENCE & DISORDERS

Assistant or Associate Professor Position Announcement (Job ID 39426)

The School of Communication Science and Disorders at Florida State University invites applications for the position of Assistant or Associate Professor beginning Fall 2016. Qualifications for the Assistant Professor rank include: (a) earned doctorate in communication sciences and disorders or related areas, (b) experience in teaching and research, and (c) clinical certification is preferred, but not required. Additional qualifications for Associate Professor rank include (a) established program of research (b) history of external funding or clear indication of potential to obtain external funding, (c) strong teaching record. This is a full-time, tenured or tenure-track position, with a 9-month appointment; academic year requirements include teaching at the undergraduate and/or graduate level, research and service. Candidates with interests in child language and literacy, neurogenics, or AAC are encouraged to apply.

Florida State University is classified by the Carnegie Foundation as a very high research activity institution with outstanding research facilities and infrastructure support. In addition, the state of Florida has recognized Florida State University as one of two preeminent research universities in the state. The School of Communication Science and Disorders is in the College of Communication and Information at Florida State University. Students can earn undergraduate, masters', and doctoral degrees. The masters' program includes both on-campus and distance learning cohorts. The School is ranked in the top 25 nationally. The environment is highly collaborative with faculty members who have intersecting research interests that include many aspects of clinical, translational, and basic research. The School is located in a newly remodeled stand-alone building with ample space for faculty, research laboratories, and diverse clinical programs. There is an on-site speech, language and hearing clinic that services Tallahassee and the surrounding counties and a specialty clinic dedicated to assessment and treatment of specific clinical populations (e.g., recent veterans) is presently underway. For more information about the School of Communication Science and Disorders, visit our website at <http://commdisorders.cci.fsu.edu/>.

If qualified and interested in a specific vacancy as advertised, apply to Florida State University at <https://jobs.fsu.edu> - Job Opening ID: 39426. When doing so, please submit a letter of application, and curriculum vitae. In addition, please arrange for three letters of recommendation to be sent to: Carla Wood, Ph.D., Search Committee Chair, School of Communication Science and Disorders, Florida State University, 201 W. Bloxham Street, Tallahassee, FL. 32306-1200, Carla.Wood@cci.fsu.edu 850-645-6567. Any questions about this position should be directed to Dr. Wood.

Review of applications will begin on December 1 and will continue until the position is filled. FSU is an affirmative action/equal employment opportunity employer and is dedicated to recruiting a diverse faculty community. Women and minorities are encouraged to apply.
